KANVAS & LEATHER TOTE BAG

Crafted from a blend of genuine leather and premium canvas, our tote bag perfectly combines elegance and functionality for daily use. The belt-buckle closure system ensures your belongings are securely protected, while the spacious main compartment easily accommodates all your daily essentials. Featuring detachable strap options, it offers the flexibility of being worn either as a shoulder bag or a crossbody. Additionally, the handcrafted leather details develop a beautiful patina over time, adding unique character to your bag.

CODE : NAT-MTB01

Dimensions: 22x15 cm

Depth: 4 cm

Material: Genuine leather & canvas

Compartment: One main compartment

Detail: Single snap-button pocket

Production: Machine-stitched

CANVAS & LEATHER MINI TOTE BAG

Handcrafted from genuine leather and canvas fabric, our mini tote bag model offers ultimate practicality for daily use with its compact size. While the single main compartment provides ample space for your everyday essentials, the single snap-button pocket keeps your small accessories neatly organized. The durable hand-stitched craftsmanship and natural leather details develop a beautiful patina over time, adding unique character to your bag.

CODE : NAT-RTC01

Dimensions: 25x16 cm

Depth: 2 cm

Material: Genuine leather & canvas

Compartment: One main compartment

Strap: Leather strap (shoulder/crossbody)

Production: Machine-stitched

RETRO MINI BAG CANVAS & LEATHER

Born from the perfect combination of canvas and genuine leather, our retro model bag stands out in daily use with its nostalgic design.

While the single main compartment offers ample space for your belongings, the leather strap provides the flexibility of being worn either as a shoulder bag or a crossbody. Handcrafted with durable stitching, the natural leather details develop a beautiful patina over time, lending a unique character to your bag.
